	researcher at TU to fill it out.
--	----------------------------------

## 6 Screening results

Screening results will be announced by the Student Exchange Division by email.

## 7 Scholarship conditions

-Amount: JPY 80,000 per month

-Payment: To be paid each month after signing. \*1

Study Period at TU	Less than or equal to 3 months	More than 3 months
Payment	In cash	By remittance to scholar's Japanese bank account
Number of times the scholarship is provided	The sum of length of stay in TU divided by 31, up to 12 times	

Length of stay	Number of payments	Length of stay	Number of payments
21~31 days	1	187~217 days	7
32~62 days	2	218~248 days	8
63~93 days	3	249~279 days	9
94~124 days	4	280~310 days	10
125~155 days	5	311~341 days	11
156~186 days	6	342~365 days	12

\*1 The April stipend will be remitted in late May due to government financial laws.

\*2 The first month's stipend will be remitted in the next month due to the time required for the bank-account opening procedure.

\*3 **The last month's stipend should NOT be paid if the awardee is unable to hold his/her bank account until the payment day (basically 25<sup>th</sup> of every month).**

## 8 Reports

Scholars must submit the following reports at the end of their study period.

Scholars may be requested to refund the scholarship if they fail to submit the reports.

- |   |                             |
|---|-----------------------------|
| 1) Research Report                          | Free format*1 (PDF)         |
| 2) Before (H-1) and Completion (H-2) Report | <a href="#">Web form</a> *2 |
| 3) Official academic transcript             | Free format*3 (PDF)         |

\*1 The Research Report must be reviewed by the grantees' academic advisors at TU and reflect what they have achieved at TU.

\*2 <https://forms.gle/bY7CjggE5L7NhKuy7>

The H-1 and H-2 Report must be completed both before and after studying in Japan.

\*3 The official academic transcript must be issued by the scholars' home institution, and show

credits which the scholars earned based on their studies at TU. At the end of the study period, a letter showing the scholars' workload during their study period can be issued upon request so that they can earn credits at their home institution.

## JASSO Scholarship Eligibility Conditions

Applicants must be students enrolled in a regular course of study in a higher educational institution outside Japan (hereinafter referred to as “home institution”), and satisfy all the following conditions listed in 1) to 7).

- 1) Students who do not currently possess Japanese citizenship.
- 2) Students accepted by a Japanese university under a student exchange agreement or other exchange arrangement with their home institution.
- 3) Students demonstrating excellent academic and personal records at their home institution, and having a minimum GPA of 2.30 (up to 3.00) as calculated using JASSO's GPA calculation method shown below. If a transcript from the previous academic year is not available, GPA will be calculated based on a transcript from the previous semester.
- 4) Students not having the financial means to study in Japan.
- 5) Students eligible for a “Student Visa”. If the student will study in Japan for 90 days or less, the Japanese university will arrange the status of residence.
- 6) Students who will resume or complete their studies at their home institution upon termination of the period of study in Japan.
  - Students who will withdraw or be removed from their home institution do not satisfy this condition.
  - Students who will graduate or complete a regular course of study at their home institution during the period of study in Japan do not satisfy this condition.
- 7) For those who will receive an additional scholarship for studying in Japan (excl. travel expenses and student loans) together with the JASSO scholarship, the monthly stipend (or total amount of monthly stipends if receiving multiple scholarships) of the other scholarship(s) should not exceed JPY 80,000.
  - If students receive another scholarship whose terms do not allow to receive additional scholarships once or more during the period of study in Japan, they are not eligible for this scholarship.
  - Students cannot receive the “Monbukagakusho Honors Scholarship for Privately-Financed International Students” together with this scholarship.
  - Students cannot receive “Japanese Government (Monbukagakusho: MEXT) Scholarships” together with this scholarship.
